Full Facility Campgrounds

February 1, 2017

Dear Sprint Car Fan/Camper,

Hello from Knoxville and RV's Full Facility Campgrounds. We are so sorry to be a month late getting our 2017 camping application updated, but, we hit a snag on our over flow vehicle parking that alot of you have needed in the past.

Every year we see the progression of more and more campers are meeting up with their other family members and friends to enjoy the Knoxville Nationals entertainment, in which we sure hope this continues. In doing so, and along with other race fans bringing golf carts, motorcycle trailers and boats we see the much needed demand for additional off site vehicle parking.

We were informed this fall the land adjacent to our NW corner where we hosted extra vehicle parking in the past, was no longer going to be available.

We have now established two locations c/o your extra vehicles and trailers to park.

1. The closest location is to the north of our campground 1-block at the Mc Call Monument Co. at 2106 N Lincoln. Their cost is \$10 per day or \$50 for the entire week. Parking pass is available at our office and must be purchased **PRIOR** to parking.

2. There is free parking on hard surface south of our campground go to the first set of lights, turn left on Larson St. across from the Sprint Car Museum, go east to 407 West Larson, North Star Elementary School Parking lot.

There are actually **TEN** total consecutive nights of racing in this area within 25 miles referred to as the Southern Iowa Sprint Week.

We hope you will take the time to **carefully read this newsletter** and concentrate on our **rules** and **application**.

Try to come early and see the other events - it helps beat the "mad rush" on Wednesday! If you have any questions after reading all the material, please feel free to call us. **Come early or anytime, even if your application is scheduled for less, you may pay for any discounted early days when you arrive.**

If you read the rules sheet carefully you most likely will bring everything you might need. **Please remember**, even though you may have camped with us in the past, you must **STILL check in with us at the time of arrival PRIOR to parking and when checking in please be sure to use the north driveway and check in at the office.**

Hope to hear from you soon! - Rick and Joy VanDonsler

If wishing to camp earlier than August 9th, 2017 and are spending the four days of the Knoxville Nationals with us, we **WILL DISCOUNT** the **PRIOR** days due to the quantity of nights and the ease of checking you in early, rather than during Wednesday's "Mad Rush"!
