

2026 - 360 and 410 Sprint Car Nationals

RV's Full Facility Campgrounds

Please Note: Application to reserve is only needed for Sprint, NASCAR and Late Model Nationals ONLY - All other events reserved by phone.

January 7, 2026

Dear Sprint Car Fan/Camper,

Hello from Knoxville and RV's Full Facility Campgrounds. Every year we see the progression of more and more campers meeting up with their family members and friends to enjoy the Knoxville Nationals entertainment, in which we sure hope this continues. In doing so, and along with other race fans bringing golf carts, motorcycle trailers and boats we see the growing demand for additional off-site vehicle parking.

We have now established a location c/o your extra vehicles and trailers to park. The closest location is to the north of our campground 1-block at the McCall Monument Co. at 2106 N Lincoln. Their cost is \$10/day or \$50/week. Parking pass is available at our office and must be purchased PRIOR to parking.

Country Camping: Last year, due to a very excessive sell out crowd, we had offered campers in two different locations in the nearby country. It was received very well and enjoyed by several. If you are looking for a little more lot width and wish to not be in such a crowd, you might give this consideration. Please note: can only offer electricity and water at these sites, the 4 mile location has new shower and restroom.

There are actually **TEN** total consecutive nights of racing in this area within 25 miles referred to as the Southern Iowa Sprint Week.

*****Please note: We no longer supply water connection Y's at hydrant.*****

We hope you will take the time to **carefully read this newsletter** and concentrate on our **rules and application**.

Try to come early and see the other events- it helps beat the "mad rush" on Wednesday! If you have any questions after reading all of the material, please feel free to call us. **Come early or anytime, even if your application is scheduled for less, you may pay for any early days when you arrive.**

MUST COMMUNICATE PRIOR IF ARRIVING EARLIER THAN RESERVED

If you read the rules sheet carefully you most likely will bring everything you might need. **Please remember**, even though you may have camped with us in the past, you **MUST** still check in with us at the time of arrival **PRIOR** to parking and when checking in please be sure to use the north driveway and check in at the office. This applies to group campers as well. **EVERYONE MUST CHECK IN!**

Check in drive is north of sprint car sign at 1808 North Lincoln. Please proceed to office.

Hope to hear from you soon! - Rick and Joy Van Donsler
